

**PEARL YACHTS
AT BRITISH MOTOR YACHT SHOW 2021**

The Pearl 62 is to be showcased at the British Motor Yacht Show. Pearl Yachts will show the latest addition to the fleet in association with Berthon, the shipyard's UK dealer. Not only are Pearl and Berthon proud to be British but interior designer Kelly Hoppen CBE and exterior designer Bill Dixon hail from the island nation as well, so it's a homecoming event for Pearl Yachts.

Warwick, UK

Pearl Yachts is pleased to announce the yard's participation in the 2021 British Motor Yacht Show 2021 from the 12th to the 20th of June in attendance with Berthon, Pearl's dealer for the UK and France.

The Luxurious Pearl 62

Measuring 18.6M, the new model features a finely styled exterior by revered British yacht designer Bill Dixon, with interior design by Kelly Hoppen. The Pearl 62 is the only yacht in this size class to offer accommodation for eight guests across four cabins, including a full beam owner's suite with a private entrance - plus the owner's choice of a crew cabin or jet ski garage. Designed around optimizing the owner's experience, other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge all with the benefit of Volvo IPS pod drive propulsion and joystick control.

Commenting on the brand's participation in the British Motor Yacht Show this year, Pearl Yachts Managing Director, Iain Smallridge said, *"There's nothing like being back at a boat show with a product you are proud to stand behind. At Southampton, we always meet wonderful people, new clients, and future partners, so it's always an exciting time. The Pearl 62 will be on display this year, and we look forward to welcoming many new and familiar faces on board!"*
