

PEARL YACHTS FLEET ON DISPLAY AT PALMA INTERNATIONAL BOAT SHOW 2021

Pearl Yachts will be attending the forthcoming 2021 edition of the Palma International Boat Show, from June 3rd through 6th, exhibiting the Pearl 62, Pearl 80 and Pearl 95. This is the first European show for Pearl since the lockdown, and the Pearl team intends on making it a good one. Pearl is well supported locally through Baxter Marine, the Palma de Mallorca-based dealer and long-time member of the Pearl family.

Warwick, UK

Pearl Yachts is pleased to announce the yard's presence at the upcoming 2021 Palma International Boat Show, to be hosted at the Port of Palma from June 3rd to June 6th. These are familiar waters for the British shipyard, with strong ties to the Balearics and Palma in particular through their dealer Baxter Marine. The 29m flagship of the British yard, the flagship Pearl 95 will lead this year's show alongside her sisters, the Pearl 62 and the Pearl 80, all Flybridge yachts.

Baxter Marine

Baxter Marine is one of the most established businesses in Puerto Portals, Mallorca. Since its establishment in 1994, Baxter has earned a reputation for excellent service in yacht brokerage, moorings, charters and boat maintenance as well as guardianship in the South West of Mallorca and Palma. As an exclusive dealer of Pearl Yachts in Spain, Baxter marine has been Pearls most successful and longest standing dealer over the last 20 years.

The Pearl Fleet

The Pearl 95, Pearl's flagship, boasts a full beam owner's cabin on the main deck, as well as an expansive beach club with fold down buttresses. The Pearl 80 reaches a top speed of 35 knots, with her spectacular flybridge, hydraulic bathing platform and accommodation for eight guests and two crew. The most recent addition, the award-winning Pearl 62 is the only yacht in this size class to offer accommodation for eight guests across four cabins including a full beam owner's suite with a private entrance, plus the choice of a jet ski garage or crew cabin. All Pearl yachts feature naval architecture by Bill Dixon and chic, contemporary interiors by Kelly Hoppen MBE for seakeeping and performance mixed with unmistakably British design.

The entire range is covered by Pearl's industry leading five-year warranty.

Remarking on his anticipation of the upcoming event, Pearl Yachts' Managing Director Iain Smallridge said, "As our first European show in some time, we are looking forward to putting a full lineup on display. The upcoming Palma International Boat Show is an important event on our calendar for a number of reasons. Of course, the Mediterranean is a key market for our yachts and the Palma Boat Show is always very well attended. Not to mention, Baxter Marine,

our long-term collaborator, has offices in Palma and offers first class aftersales support and assistance.”
