Warwick, UK

As the weather warms, Pearl is preparing for a short trip to welcome partners, customers, and friends at **St. Katherine Docks**. London Luxury Afloat 2022, to be held from the **21st to the 24th of April**, promises a dazzling array of the industry's best offer to midsize flybridge owners. The Pearl 62 has the looks to stand out, sporting the brand's world-famous British design duo of **Bill Dixon** and **Kelly Hoppen CBE**.

Compact, Complete, and Competitive

Measuring 18.6m, the **Pearl 62** is the only yacht in the size-class to offer accommodations for eight guests across four cabins, including a full beam owner's suite with a private entrance, plus the owner's choice of a crew cabin or jet ski garage. Other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge, and the benefits of Volvo IPS pod drive propulsion, including joystick control and station keeping function.

Experience by Design

Headed up by award-winning naval architect Bill Dixon, Pearl's design ethos of beautifully crafted yachts, leading innovation and superb seakeeping is evident in both the aesthetics and functionality, with key pioneering steps in the most exciting new directions. Sharp lines underscore every Pearl's smart design.

Discover the Beauty within

No other yacht company works with the world-renowned British designer Kelly Hoppen CBE. Her ever-evolving style, defined by a subtle fusion of clean lines and neutral tones, intuitively balanced with an opulent warmth, has been honoured with numerous prestigious awards. Every Pearl is a canvas, upon which Kelly's unmistakable design philosophy takes shape into a unique and surprising yet coordinated interior.

Asked about the plans for London Luxury Afloat 2022, Berthon Sales Manager Robert Steadman said, "We are exhibiting the multi award-winning Pearl 62 in the heart of London. With the travel links it's a fantastic opportunity to introduce a wide range of clients to the experience of owning a Pearl Yacht. It's an exciting time for Berthon as the exclusive Pearl dealer for the UK and we have hull number 15 of the Pearl 62 available for the 2023 season. April is a great time for a boat show with the long awaited British summer fast approaching, I'm very much looking forward to seeing everyone there."
