*Warwick, UK*

Nowhere reminds us more of the Summer than the glorious Balearics, and Pearl Yachts is counting down the days until the 2022 **Palma International Boat Show**, which runs from April 28th to May 1st. Guests can inspect the **Pearl 62, Pearl 80, and Pearl 95** shining under the Spanish sun.

### **Compact, Complete, and Competitive**

Measuring 18.6m, the **Pearl 62** is the only yacht in the size-class to offer accommodations for eight guests across four cabins, including a full beam owner's suite with a private entrance, plus the owner's choice of a crew cabin or jet ski garage. Other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge, and the benefits of Volvo IPS pod drive propulsion, including joystick control and station keeping function.

### **Experience by Design**

The **Pearl 80** offers an exhilarating pocket-superyacht experience, enjoying industry-wide acclaim since her launch. The same naval platform that reaches a top speed of 35 knots has the versatility to feature a spectacular flybridge and a hydraulic bathing platform, as well as accommodation for eight guests and two crew.

### **Smart at Scale**

The flagship **Pearl 95**, under 24 metres, boasts a full beam owner's cabin on the main deck, as well as an expansive beach club with fold-down buttresses. She has proven to be an award-winning combination of performance, style and quality, taking the title of 'Best Layout' at the World Yachts Trophies. The Pearl 95 went on to receive further recognition with the awards of 'Best Interior Design - Power Yachts' and 'Best Main Saloon' at the International Yacht and Aviation Awards.

### **British Design, inside and out**

Award-winning naval architect Bill Dixon is behind the innovation and superb seakeeping that characterise Pearl Yachts. Sharp lines underscore every model's attractive exterior. And for the interiors, no other yacht builder works with the world-renowned designer Kelly Hoppen CBE. Her ever-evolving style, defined by a subtle fusion of clean lines and neutral tones, intuitively balanced with an opulent warmth, has been honoured with numerous prestigious awards. Every Pearl is a canvas, upon which Kelly's unmistakable design philosophy takes shape into a unique and surprising yet coordinated interior.

Looking ahead to Palma International Boat Show 2022, **Baxter Marine Managing Director, Cenk Efe** entreats, “The Palma show always feels like a homecoming for us, and it’s our privilege to extend that warm welcome to the whole Pearl family – especially new members. With the 62, the 80 and the 95 on display, nothing is missing. Come and experience the opening of the season, the beaches, the food, the culture, and we’ll be waiting for you at the show.”
