Pearl Yachts and Atlantic Yacht and Ship Co. will attend the upcoming Palm Beach International Boat Show, scheduled from March 23rd – 26th, 2023. The Pearl 62 and Pearl 95 are two exemplary models of the shipyard's boutique approach, which offer unique features not found on other yachts in their class. In contrast to large production yacht builders, Pearl produces a limited number of meticulously designed, high quality models, each bringing something new to their segment.

#### **Compact, Complete, and Competitive**

Measuring 18.6m, the **Pearl 62** is the only yacht in the size-class to offer accommodations for eight guests across four cabins, including a full beam owner's suite with a private entrance, plus the owner's choice of a crew cabin or jet ski garage. Other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge, and the benefits of Volvo IPS pod drive propulsion, including joystick control.

#### **Smart at Scale**

The flagship **Pearl 95** boasts a full beam owner's cabin on the main deck, as well as an expansive beach club with fold-down buttresses. She has proven to be an award-winning combination of performance, style and quality, taking the title of "Best Layout" at the World Yachts Trophies. The Pearl 95 went on to receive further recognition with the awards of "Best Interior Design - Power Yachts" and "Best Main Saloon" at the International Yacht and Aviation Awards.

Looking ahead to PBIBS, Pearl Yachts Managing Director, Iain Smallridge said, "It's been a while since we've put the spotlight on the Pearl 62, our most successful model to date, and our flagship the Pearl 95. Palm Beach ranks high among our favorite events, and we look forward to welcoming old friends and new ones, together with our partners at Atlantic Yacht & Ship Co."
