

PEARL YACHTS' TRENDING TRIO ON DISPLAY AT PALMA INTERNATIONAL BOAT SHOW 2023

Pearl Yachts enjoys a privileged relationship with Palma through Mallorca Marine Group, the boutique boatbuilder's original dealer, which has always welcomed the brand to its island in style. Visitors to Palma International Boat Show 2023 will have the chance to see the Pearl 62, the new Pearl 72, and the flagship Pearl 95.

Warwick, UK.

Pearl is preparing to open the 2023 season properly at the upcoming **Palma International Boat Show**, which runs from the 27th to the 30th of April. Mallorca Marine Group will join the shipyard in presenting **the multi-award winner Pearl 62, the new stunning Pearl 72, and the flagship Pearl 95** as they shine under the Spanish sun. The recently launched Pearl 72 is being displayed publicly in the water for the first time in Europe, marking an opportunity for the continent's journalists and enthusiasts to experience the yacht in her element.

Compact, Complete, and Competitive

Measuring 18.6m, the **Pearl 62** is the only yacht in its size-class to offer accommodations for eight guests across four cabins, including a full beam owner's suite with a private entrance, plus the owner's choice of a crew cabin or jet-ski garage. Other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge, and the benefits of Volvo IPS pod drive propulsion, including joystick control and station keeping function.

Layout Leader

In terms of layout, the **Pearl 72** makes a unique introduction to the size-class: two Master Cabins. One is forward with a private entrance, as typically seen on much larger yachts, and the second is full beam amidships. In addition to providing an ideal solution for co-owners who enjoy the yacht together, the innovative layout allows owners to enjoy a beautiful view even when moored stern-to in a marina. There are two further en-suite double cabins plus accommodation for the crew, in addition to an exceptional garage with space for a William 345 tender (or similar) and a jet-ski.

Smart at Scale

The flagship **Pearl 95**, classified under 24 mt. but with an overall length of 29,2mt (LOA), boasts a full beam owner's cabin on the main deck, as well as an expansive beach club

with fold-down buttresses. She has proven to be an award-winning combination of performance, style and quality, taking the title of 'Best Layout' at the World Yachts Trophies. The Pearl 95 went on to receive further recognition with the awards of 'Best Interior Design - Power Yachts' and 'Best Main Saloon' at the International Yacht and Aviation Awards.

British Design, inside and out

Award-winning naval architect Bill Dixon is behind the innovation and superb seakeeping that characterise Pearl Yachts. Sharp lines underscore every model's attractive exterior. And for the interiors, no other yacht builder works with the world-renowned designer Kelly Hoppen CBE. Her ever-evolving style, defined by a subtle fusion of clean lines and neutral tones, intuitively balanced with an opulent warmth, has been honoured with numerous prestigious awards. Every Pearl is a canvas, upon which Kelly's unmistakable design philosophy takes shape into a unique and surprising yet coordinated interior.

Looking ahead to Palma International Boat Show 2023, **Mallorca Marine Group Managing Director, Cenk Efe** commented, "It's always a pleasure to be with Pearl – we look forward to sharing the stand and presenting the exciting lineup we have planned together. With the 62, the 72 and the 95 on display, visitors can experience the full scope of Pearl's distinctive design philosophy and see the unique features firsthand. And there's nowhere better to start the season."
