Pearl Yachts is pleased to announce its participation at the British Motor Yacht Show from the 11th to the 14th of May 2023. The British brand in association with Berthon, its long-time dealer for the UK and France, will present the bestselling Pearl 62 – featuring the Modern interior by Kelly Hoppen CBE and a jet ski garage.

Compact, Complete, and Competitive

Measuring 18.6m, the **Pearl 62** is the only yacht in the size-class to offer accommodations for eight guests across four cabins, including a full beam owner's suite with a private entrance, plus the owner's choice of a crew cabin or jet ski garage. Other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge, and the benefits of Volvo IPS pod drive propulsion, including joystick control and station keeping function.

Commenting on the brand's participation in the British Motor Yacht Show this year, Pearl Yachts Managing Director, Iain Smallridge said, "We're always proud to show the Pearl 62, but there's something special about bringing her home for an event of this importance. Pearl is present around the world now, but the brand's roots right here in Southampton run deep."
