Pearl's philosophy as a boutique yacht builder revolves around crafting a limited number of high-quality yachts. Each model integrates distinctive features to its market segment, and all are backed by Pearl's industry leading 5-year warranty.

Pearl 62. Compact and Competitive

Measuring 18.6m, the **Pearl 62** is the only yacht in the size-class to offer accommodations for eight guests across four cabins, including a full beam owner's suite with a private entrance, plus the owner's choice of a crew cabin or jet ski garage. Other highlights include an aft galley open to the cockpit, a vast flybridge, a foredeck lounge, and the benefits of Volvo IPS pod drive propulsion, including joystick control.

Pearl 72. Layout Leader

In terms of layout, the new **Pearl 72** makes a unique introduction to the size-class: an open plan layout, and two Master Cabins. One is forward with a private entrance, as typically seen on much larger yachts, and the second is full beam amidships. In addition to providing an ideal solution for co-owners who enjoy the yacht together, the innovative layout allows owners to enjoy a beautiful view even when moored stern-to in a marina. There are two further en-suite double cabins plus accommodation for the crew, in addition to an exceptional garage with space for a William 345 tender (or similar) and a jet ski.

Pearl 95. Smart at Scale

The flagship **Pearl 95** boasts a full beam owner's cabin on the main deck, as well as an expansive beach club with fold-down buttresses. She has proven to be an award-winning combination of performance, style and quality, taking the title of 'Best Layout' at the World Yachts Trophies. The Pearl 95 went on to receive further recognition with the awards of 'Best Interior Design - Power Yachts' and 'Best Main Saloon' at the International Yacht and Aviation Awards.
