An outstanding Trio: Pearl 62, Pearl 72, and Pearl 95

Pearl 62. Compact and Competitive

Featuring a sleek, modern yacht design, the Pearl 62 stands at 18.6 meters, and is unique in its class for offering luxurious accommodations for eight guests across four cabins including a full beam owner's suite with a private entrance, and the choice of a crew cabin or a jet ski garage. Key features include an aft galley that opens to the cockpit, an expansive flybridge, and a foredeck lounge. Enhanced with Volvo IPS pod drive propulsion, including joystick control and station-keeping function for effortless owner-operated maneuvering, the Pearl 62 exemplifies compact luxury and innovation.

Pearl 72. Layout Leader

The Pearl 72 is a testament to Pearl's commitment to elegance and performance. Incorporating state-of-the-art design and craftsmanship, this model offers vast living areas, advanced technology, and superior comfort. In terms of layout, the Pearl 72 makes a unique introduction to the size-class: an open plan layout, and two Master Cabins. One is forward with a private entrance, as typically seen on much larger yachts, and the second is full beam amidships. In addition to providing an ideal solution for co-owners who enjoy the yacht together or for charter, the innovative layout allows owners to enjoy a beautiful view even when moored stern-to in a marina. There are two

further en-suite double cabins plus accommodation for the crew, in addition to an exceptional garage with space for a William 345 tender (or similar) and a jet ski.

Pearl 95. Smart at Scale

The flagship of the fleet, the Pearl 95, is an epitome of luxury. She features a full-beam owner's cabin on the main deck and a stunning beach club with fold-down buttresses, bar, shower and room enough to safely store any kind of water toys. She has proven to be an award-winning combination of performance, style and quality, taking the title of 'Best Layout' at the World Yachts Trophies. The Pearl 95 went on to receive further recognition with the awards of 'Best Interior Design' and 'Best Main Saloon' at the International Yacht and Aviation Awards.
